**ARTICLES**

**Title and author(s)**

The Study of Kinematics and Trajectory Planning of a 9-DOF Serial Redundant Robotic Manipulator

*W. K. CheeI and T. F. Chay*

Effect Of Colemanite and PVA Fibre in Ultra High Performance Concrete (UHPC) for Radiation Shield

*M. A. H. Abdullah, R. S. M. Rashid, Y. L. Voo, N. M. Azreen, H. Ithnin and M. I. Idris*

Automated Seed Sowing Machine for Uneven Surface

*M. H. F. Md Fauadi and M. N Muhammad Nanda*

Characterization of Pulverized Palm Kernel Shells Blocks

*A. Wahab and E. A. Kubi*

Performance Investigation of a Boost Converter Driving a Separately Excited DC Motor Using RC Filter

*H. M. Usman, G. A. Olarinoye, S. Saminu, M. S. Yahaya and M. Mahmud*

Taguchi Optimization Prediction to Evaluate the Synergetic Impact of Coconut Shell Ash Particles on the Tensile Strength of Banana Pseudo Stem Fiber Composites

*A. T. Oyewo, A. A. Adefajo, K. M. Adeleke, A. Y. Oyerinde and A. A. Ojetoye*

Flow Analysis in Sudden and Gradual Contraction and Expansion Pipes

*N. M. Daud, M. N. Sudin, M. A. Yusuff, S. Mat, A. R. Saleman and F. Syahrial*

Design, Topology Optimisation and Analysis of Three-Dimensional Printed Stingless Beehive Box

*M. I. Ishak, N. F. B. Azmi and N. Y. Wasir*

The Derivation of a Design Matrix for a Foot-Mounted Inertial Pedestrian Navigation using Invariant Observer Approach

*A. A. Rahman, N. S. M. Khairi and K. Abdulrahim*

Development of an Embedded Wireless Pyranometer Using NodeMCU

*S. O. Adetona, O. D. Babawale, A. O. Balogun, A. E. Ibhaze and S. T. Umar*

Household Electricity Consumption Prediction and Anomaly Detection Based on Features Using Two-Step Unsupervised Deep Learning Approach

*S. A. A. Rauf, A. F. Adekoya, P. Mensah and P. Nimbe*

Enhancing Safety and Reliability in Railway Signaling Systems: A Comprehensive FMEA-Based Approach

*D. Sheikhi, B. Ghorbani and Z. Ahmadi*

Optimizing Task Efficiency: Path Planning for Mobile Robots

*A. S. Ghazali*

Artificial Neural Network Model for Air Pollution Forecasting in Kaduna, Nigeria

*A. Folaponmile, S. F. Kolawole and S. N. John*
